Dear Member,

The YWG Committee would like to report the following...

1. Some members have received the attached letter from DELWP. While the language appears to have tempered the ultimate message has not changed.

It is important that as many members of the community attend these drop-in sessions as possible, so rally your friends and family for the opportunity to meet with those who are making the decisions that will affect our livelihoods and lifestyles.

If possible, please advise your intention to attend by email to [jennybarber@bigpond.com](mailto:jennybarber@bigpond.com).

This is your chance to have your say so all members should make it a priority to attend either or both of these sessions.
